

## SLIDING FEE SCALE PROGRAM

### ***What is the Sliding Fee Scale Program?***

The Sliding Fee Scale Program allows patients who are uninsured to receive healthcare services at a reduced cost at CareSouth Medical and Dental (CSMD) health clinics. This discount is based on your FAMILY SIZE and INCOME determined semi-annually by the federal government “Poverty Guidelines”.

### ***Who can apply for Sliding Fee Scale Program?***

CSMD accepts all patients regardless of their insurance or financial status. We are a Federally Qualified Health Center (FQHC) which allows us to offer a wide range of health care services to patients through the sliding fee scale.

### ***How do I apply for the Program?***

To be eligible for the Sliding Fee Scale Program, an individual is required to:

- Complete a one-page application
- Provide picture identification
- Provide proof of household income or financial assistance, and total number of people living with you.
  - *Household income is defined as “Gross Income earned from ALL persons residing (living) within the home”*
  - *Proof of Income: a paycheck stub, yearly income tax return, copies of your social security/food stamps award letters, or other supporting documents you may receive as proof of family income*

### **What does the patient pay for services?**

Upon check-in the patient will be responsible for the amount according to their Sliding Fee Scale.
